

62. (New) Apparatus according to Claim 60, wherein said food product is selected from a sandwich, a pie, a pastie and a wrap.
63. (New) Apparatus according to Claim 60, wherein the food product support region is configured to support a plurality of food products, and the apparatus comprises a plurality of injection nozzles such that a plurality of food products may be heated simultaneously.

Remarks

The claims have been amended herein to remove multiple dependencies and to place the claims in better condition for allowance, in particular having due regard to the differences between PCT and US practice. All the new claims are fairly based on the PCT application papers as originally filed. A Notice of Allowance is thus respectfully requested.

Respectfully submitted,
